

PARKING CHANGES DURING WEST CAMPUS CONSTRUCTION

NJCU's visionary plan to expand its campus, facilities, and enrollment is well underway on its 21-acre West Campus property. This is indeed an exciting time for NJCU, but it is also one that involves shared sacrifice – specifically regarding parking.

Be assured that NJCU will continue to provide accessible parking throughout every phase of construction.

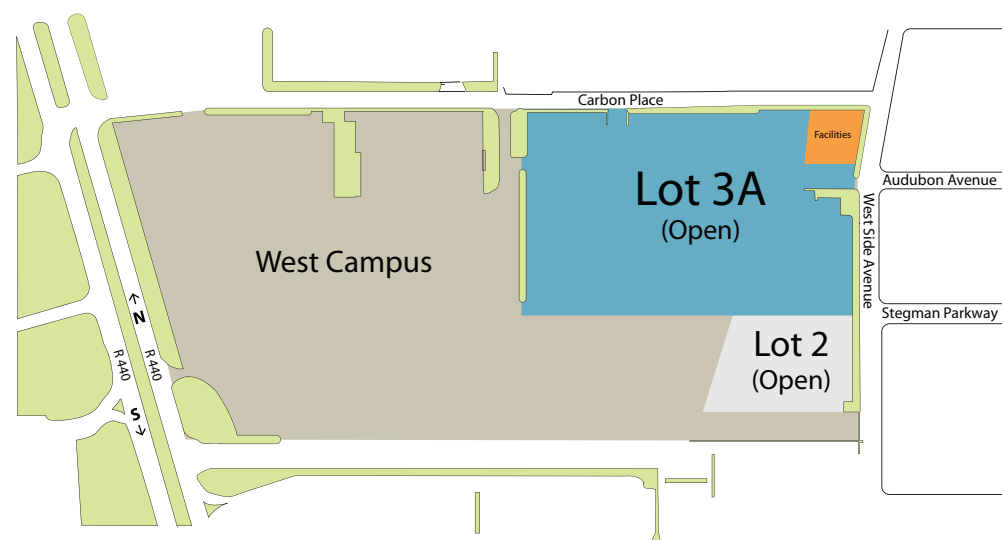

JUNE 14 – SEPTEMBER 1

Lot 2 is partially open and has a limited number of spaces available for faculty and staff. Lot 3A is open and available for student parking as well as the overflow of faculty and staff from Lot 2. Shuttle buses will provide transportation to and from the main campus.

SEPTEMBER 6–DECEMBER 23

Lot 3A will be available for student parking and Lot 2 will be available for faculty and staff. Shuttle buses will provide transportation to and from the main campus.

JANUARY 1, 2012

New parking arrangements for the spring semester have not yet been finalized. Please check back again.

PLEASE NOTE: All parking plans are subject to change. Stay informed by visiting the NJCU website at www.njcu.edu and checking your NJCU e-mail account.
